CONSISTENCY OF THE SOUTH-HATER.

Philadelphia Times.—Law and order
must be maintained—except in a Coney
Island prize fight.

Ye

ASSIGNED TO ITS PLACE.

Philadsiphia Press.—The United States
Senate is the Midway Plaisance among
the legislative bodies of the world.

AGW ABOUT THE SENATE?

Macon Telegraph.—America is ahead of England, as Mr. Gladstone says she ought to be. This is a country without a pecr.

RNOCKED OUT BY CUPID.

Washington News.—Mr. Cook, the Kentucky giant, who recently got married wasn't strong enough to cope with little Cupid.

THE PROPER WAY.

Topeka State Journal.—If an Anarchist wants to thoroughly enjoy an explosion, why doesn't be bite a dynamite bomb like Lingg?

Topeka State Journal.—A crank wave is going wer the country. Thank Heaven, Kansas cranks are not the murderous kind. 4

PLAYING AT RECIPROCITY.

Philiadelphia Times.—About the worst kind of South American reciprocity is those Brazillans exchanging war material with each other.

A DANGEROUS REST.

Augusta Chronicle.—If Congress, as is rumored, should take a two weeks' recess the Senators would come back dangerously invigorated.

THE SQUEEZE NOT OVER

Kansas City Journal.—A large corset manufactory at Bridgeport, Conn., has resumed business. This Indicates that the squeeze is not over yet.

HER PART OF THE WORRY.

Washington Star.—One of Washington's bright women was present while her bushand discussed the financial situation.

"I must confess," said he, "that the money market has worried me a great

il."
It wasn't the money market that
rried me," observed his wife.
What was it?"
It was the market money."

THE BUMILIATING SENATE.

THE RUMILIATING SENATE.

Philiadelphia Ledger.—It is clear that the contest in the Senate over the Wilson bill is to be a struggle of endurance. The Silvettee asset that they will yield to nothing short of free colnage. It is an another obstructionists should be able, under the profession of a ocialed "Senatorial courtesy," to interfere with the despatch obstructionists should be able, under the profession of a ocialed "Senatorial courtesy," to interfere with the despatch of business and to deny to the country the relief that it urgently demands. What the outcome shall be resiste serve a speculation. The French and British Parliaments have been compelled to adopt regulations for "closure," and it is high time that the Senate of the Culted States agreed to rules permitting the majority will be fine that the Senate of the Culted States agreed to rules permitting the majority will be fine the content of the country that the structure of the senator of the country that the structure of the senator of the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands when the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country the relief that it urgently demands. What is the country in the country is the country in the country in the count

A WOMAY OF DUSINESS.

Louiselle Courier-Journal.—We were
comped alongside of an emigrant train in
Netraska, and just after supper a woman
about 40 years of age, who was smoking
a pipe, came over to our fire and sized
the crowd up and said:

"I've got authio' to say. I'm a plain
speken woman. When I've got a thing
on my mind I don't beat around the
hush."

We looked at her with curiosity and

We looked at her with curiosity and surprise, and she leaned against the wheel of a wagon and continued:

"I've been a widder for three years.
Over thar I've got a span of mewis, a good hose, a new wagon filled with housekeepin' stuff and I kin rake up about \$80 in cash. I cum along with the party to take up a claim. I'm good tempered, healthy and can awing a a xor hold a plow with most anybody. As I said, I'm a plain spoken woman. If there's a critter among you that wants to get married, let him stand up while I take a look at him."

The eleven of us promptly stood up. "Git into line," she continued, with a wave of her hand. "I hain' after

Accident at Gethermann, Ey.

Sr. Marra, Oct. T.—A fright in resent collision occurred at Gethermann, twenty miles north of this city, on the Louisville and Nashville reliveny, about 5 o'clock, in which Engineer Highins and his firman were instentily killed. The registric rain No. 12 was made up of o'clock in which Engineer Highins and his firman were instentily killed. The registric rain of twenty-four londed care, and the two wrecked engines at Hassabatch a few days, since, had just reached the bridge over Pottinger's creek when the second section running at a high rate of speed crashed into the cabocas of the first section, throwing several care from the track way, carrying the engine and several care with it to the bed of the creek, thirty feet below.

Aside from the loss of life the damage will run up into the thousands.

The wreck train with about fifty hands, has gone to the scene to begin removing the debria.

The statistics published by the British Board of Trade show a decrease in the export of tin piate from Great Britain to the United States, which, during 1801, amounted to 325,145 tons and decreased amounted to 255,148 tons and decreased to 276,179 tons during the year 1802. Though the early months of the present year showed average larger imports then during the early months of 1802, yet the later months, July and August, have reversed this condition, the exports from Great Britain during these two months being just 35,000 tons, as compared with 49,000 tons during the corresponding months of 1852, and an average of 46,000 tons per month during the whole of last year.

Ortans Board of Trade Appeals to the Newth for Assistance.

New ORLEARS, Oct. I.—Shortly after I o'clock Friday morning the lunger representation. It was crowded with refuses from Cavarnache, a small actilement on Grand bayon. There were sisteen people all told, on the lunger, and the first thing they asked for was water. They report that the people have the first thing they asked for was water. They report that the people have the first thing they asked for was water. They report that the people have the first thing they asked for provisions so high that the natives are unable to pay the prices. Rice in self-tensions as high that the natives are unable to pay the prices. Rice in self-tensions are cating dead hogs, chickens and other animals that perished in the storm. The greatest suffering is from the lack of water.

There is even the propose of the form of the form of the first the people on the Evenina say, unless water is conveyed to those that are left behind, they will perish from thirst. The Chinese colony that was situated near Bayou lienry is a thing of the past. Over forty of the who survive, however manged to save some provisions, but they will not abare them with their white brethren. On the way to the city the Evelina picked ups child that was found on a lonely part of the banks of Bayou been footing around on a plank for eleven hours was picked up. Every langer, with the exception of the Evelina picked ups that the exception of the Evelina picked ups that the exception of the Evelina picked ups that the commercial exchanges at Chicago.

lina, was lost. There is now no way so enable the anriviors to search for the clead.

The following was telegraphed to the commercial exchanges at Chicago, St. Louis. Cincinnati, Kansas. City, New York, Philadelphia, Iloston, Baltimore, Charles and Chicago, St. Paul, Omaha at challengelis, St. Paul, Omaha at challengelis, St. Paul, Orrice or THE BOARD or TRADE, NEW ORLARS, Oct. 6.

A terrible disaster has destroyed a majority of the inhabitants of the islands and marshes adjacent to this city, and the survivors are left penniless, their stock, houses, boats and means of livelihood gene, and they are in dire distress. Choisians will bury the dead and feed the starving, but appeal to a generous public to assist in contributions which will enable thousands of deserving people to again follow their vocations and support their families.

That such will see the continued debate, some hot were to a naked repeal.
That such will be the outcome seems
assured. There will be continued debate, some hot were be hed is

The stage of this fight has been
reached when truth can be told. If
ought to be known all over that there
are not more than twenty senators
who, in their heart of hearts, want a
vote. A class claimed for repeal, and
give covert all to the silver
men who fight in the open. This
is the secret of allver defiance. It is the
index that every extremity of the administration will fail. Night sessions
will have no baleful effect. But they
were the secret of allver defiance. It is the
index that every extremity of the
daministration will fail. Night sessions
will have no baleful effect. But they
were the secret of allver defiance. It is the
index that every extremity of the
daministration will fail. Night sessions
will have no baleful effect. But they
like the secret of allver defiance. It is the
index that every extremity of the
daministration will fail. Night sessions
will have no baleful effect. But they
lead to come only be had with closure.
To attempt closure would only involve a
collateral fight as bitter and protempt the would nearly his functions.
So in the condition existing there is
but one final act to come. It is to make
a grand rallying c

sold to keep the gold reserved.

Foreign Yeash at Ris.

Washington, Oct. 7.—In response to a telegran of inquiry, Capt. Picking, commander of the cruiser Charleston, now at Rio de Janeire, has informed the navy department that there is a feet of ten foreign war reseals in the harbor, exclusive of the Charleston. The information is regarded as important, as it shows it strength of the most of the command of t

between the combatants for the protection of foreign interests.

A Declaration of War.

LONDO, Not. 7.—Friday evening the marquis of Ripon, secretary of state for ent, sent a dispatch to the colonial office, notifying the officials there to consider the affair at Shasto, where an imperial force was fired upon, as a hostiles at against Great Britain, which Justifies a declaration of war against King Lobeuguia, of Matheleiami.

A Child-Marderess.

A COLLISION

Between Colonists and Matabele: Imminent.

English Troops Will Be Sent to Sub-due South Africans.

Perix of the Colony to the Forts.

CAPE TOWA, Oct. T.—A dispatch from the front says that the Matabeles have attacked a patrol of the Bechnandland polles, while the latterwas on its usual properties. The second of the Matabeles have a stacked a patrol of the Bechnandland to the Matabeles of the

s possible.

It is reported that the government ill follow up the occupation of Tat y sending a strong corps of imperial coops and police to co-operate with secompany's force in chastising the bellious warriors of King Lobengula.

me company's force in chastising the rebellious warriors of King Lobenguin. Volunteers, well armed, and mounted, are flocking from all parts of the colony to Fort Victory, Charter and Tati, and hews of an encounter between the Matabeles and the colonists is expected. The colonists are few in number, though well armed, but they will find it no easy matter to defeat the Matabele warriors of King Lobenguia, as they are well armed, some of them having repeating rifles, and they are a from childhood, and capable of enduring the greatest hardships of a march. The population of Matabeleland is bout three hundred thousand, and very male of age is a solider until tool do bear arms.

OREMATED ALWE

CREMATED ALIVE.

A Diminy Stedent Ceneric Into a Red-Ilot
Record Control of the Processing of the Cornelius, one of the brightest students of the Harrard Divinity school, died at the Massachusetts General hospital September St. The fact was withered the Control of the Cornelius became insane through typhold fever and crawled into the furnace by which the hospital was heated. He was partially cremated before the attendants could recome him, and died in a few minutes. From one of the most wealthy and aristo-reatte families of South Carolina. He was graduated last fall with honors, and was taking a special course when the fever struck him.

A Snow-White Squirret.

the fever struck him.

A snow-White Squirrel.

PREHIES, O., Uct T.—Henry Smith, a farmer residing a few miles east of this city, was here Priday morning, having in his possession a squirrel which he killed while out hunting near his home yesterday. The squirrel is anow-white, not having a dark heir on it, and its eyes are a beautiful pink color. The skin will be sent to Cincinnati Saturday morning to be stuffed, although Mr. Smith has been offered a handsome aum for it. It is the first of the kind ever seen in this part of the country.

National Committee Headquarters.

ever seen in this part of the country. National Committee Headquarters. Washinkoron, Oct. 7.—A suite of half a doeen roome has been engaged in the Washington Loan and Trust building here for occupancy by the republican national committee. It is stated that Hon. J. S. Clarkson will arrive here next week to open in the headquarters and put things in order, and that he may take personal charge and direct affairs from this quarter.

Quarryma Killed by Cars.

ZASSEVILLE, Q., Oct. 7.—W. H. Mitchell, a quarryman residing at Watertown, was run over and killed by a
helping engline at Waterfoxt, on the
Zancaville & Chio river road, Thursday,
and his remains were found Friday
morning. He was intoxicated.

Three Voted for Acceptance.

BALTIMORE. Oct 7.—The Baltimore and Ohio telegraphers here heve taken a poll among themselves, and all, with the exception of three, voted not to accept any cut in salary. They say that in other oftics a similar feeling exits. General Manager Odell has gone to Chicago.
